Vivid descriptions of the horrors of slave auctions, and many other unforgettable and sometimes unrepeatable details of slave life. Accompanied by 32 starkly compelling photographs.

Fugitive slaves were reported in the American colonies as early as the 1640s, and escapes escalated with the growth of slavery over the next 200 years. As the number of fugitives rose, the Southern states pressed for harsher legislation to prevent escapes. The Fugitive Slave Act of 1850 criminalized any assistance, active or passive, to a runaway slave—yet it only encouraged the behavior it sought to prevent. Friends of the fugitive, whose previous assistance to runaways had been somewhat haphazard, increased their efforts at organization. By the onset of the Civil War in 1861, the Underground Railroad included members, defined stops, set escape routes and a code language. From the abolitionist movement to the Zionville Baptist Missionary Church, this encyclopedia focuses on the people, ideas, events and places associated with the interrelated histories of fugitive slaves, the African American struggle for equality and the American antislavery movement. Information is drawn from primary sources such as public records, document collections, slave autobiographies and antebellum newspapers.

"A Best Book of the Year" —Library Journal and Booklist Using excerpts from the thousands of interviews conducted with ex-slaves in the 1930s by researchers working with the Federal Writer's Project, this astonishing collection makes available in print the only known recordings of people who actually experienced slavery--recordings that had gathered dust in the Library of Congress until they were rendered audible for the first time specifically for this collection. Heralded as "a minor miracle" (Ted Koppel, Nightline), "powerful and intense" (Atlanta Journal Constitution), and "invaluable" (Chicago Tribune), Remembering Slavery is sure to enrich readers for years to come. "Gripping and poignant... Moving recollections fill a void in the slavery literature." —The Washington Post Book World "Chilling [and] riveting... This project will enrich every American home and classroom."
—Publisher's Weekly "Quite literally, history comes alive in this unparalleled work."
—Library Journal "Ira Berlin's fifty-page introduction is as good a synthesis of current scholarship as one will find, filled with fresh insights for any reader." —The San Diego Union Tribune

A chronological history of Native America from 200,000 B.C. to the present offers a revised look at American history and traces year-by-year events in politics, culture, leadership, and philosophy

The ten works collected in this volume demonstrate how a diverse group of writers challenged the conscience of a nation and laid the foundations of the African American literary tradition by expressing their in anger, pain, sorrow, and courage. Included in the volume: Narrative of the Most Remarkable Particulars in the Life of James Albert Ukawsaw Gronniosaw; Interesting Narrative of the Life of Olaudah Equiano; The Confessions of Nat Turner; Narrative of the Life of Frederick Douglass; Narrative of William W. Brown; Narrative of the Life and Adventures of Henry Bibb;

Narrative of Sojourner Truth; Ellen and William Craft's Running a Thousand Miles for Freedom; Harriet Jacobs' Incidents in the Life of a Slave Girl and Narrative of the Life of J. D. Green.

More than 2,000 former slaves provide first-person accounts in blunt, simple language about their lives in bondage. Illuminating, often startling information about southern life before, during, and after the Civil War. /div

Distributed by the University of Nebraska Press for Caxton Press This is the definitive guide for things to see and to do in western Oregon. This volume is packed with historical details, folklore, anecdotes, geology, fishing, flora, fauna, biography, hiking trails, and a good deal more. These elements are combined with photos of thousands of off-the-beaten-path finds.
