photographs and detailed text then show the excavators, dozers, wheeled loaders and dump trucks, many of which are the largest in their classes. Some of these are veterans, others are the most modern available. He reveals why the mine managers selected particular brands, how they feel about their selection and whether they are likely to continue with the same choices in future. He also describes how the mines are facing up to the environmental challenges which increasingly affect them. Massive machines, with famous names - Liebherr, Caterpillar, Komatsu, Hitachi, O&K, Terex, LeTourneau, Demag, Bucyrus - will give enthusiasts plenty to savour in this first book to look comprehensively at European surface mining activity.
