Presents a selection of twenty-four recent essays by a modern critic, covering such topics as the lasting influence of classics, the appeal of pop-culture favorites, and the art of fiction.

A modern classic by Nobel Laureate J.M. Coetzee. His latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. For decades the Magistrate has been a loyal servant of the Empire, running the affairs of a tiny frontier settlement and ignoring the impending war with the barbarians. When interrogation experts arrive, however, he witnesses the Empire's cruel and unjust treatment of prisoners of war. Jolted into sympathy for their victims, he commits a quixotic act of rebellion that brands him an enemy of the state. J. M. Coetzee's prize-winning novel is a startling allegory of the war between oppressor and oppressed. The Magistrate is not simply a man living through a crisis of conscience in an obscure place in remote times; his situation is that of all men living in unbearable complicity with regimes that ignore justice and decency. Mark Rylance (Wolf Hall, Bridge of Spies), *Ciro Guerra* and producer Michael Fitzgerald are teaming up to bring J.M. Coetzee's *Waiting for the Barbarians* to the big screen.

With invective all the more deadly for its grace and wit, Lewis Lapham, editor of Harper's magazine, presents a portrait of a feckless American establishment gone large in the stomach and soft in the head. This acerbic commentary on the insouciance of the monied ruling class concludes with a forewarning piece where Lapham looks at the fate of indolent ruling classes throughout history.

A fascinating collection of writings on the influential literary critic and political campaigner.

A new collection of twenty-three literary essays from the Nobel Prize – winning author. J. M. Coetzee ' s latest novel, *The Schooldays of Jesus*, is now available from Viking. J. M. Coetzee is not only one of the most acclaimed fiction writers in the world, he is also an accomplished and insightful literary critic. In *Late Essays: 2006 – 2016*, a thought-provoking collection of twenty-three pieces, he examines the work of some of the world ' s greatest writers, from Daniel Defoe in the early eighteenth century to Goethe and Ir è ne N é mirovsky to Coetzee ' s contemporary Philip Roth. Challenging yet accessible, literary master Coetzee writes these essays with great clarity and precision, offering readers an illuminating and wise analysis of a remarkable list of works of international literature that span three centuries.

Winner of the 2003 Nobel Prize in Literature. J. M. Coetzee presents a coherent, unorthodox analysis of censorship from the perspective of one who has lived and worked under its shadow. The essays collected here attempt to understand the passion that plays itself out in acts of silencing and censoring. He argues that a destructive dynamic of belligerence and escalation tends to overtake the rivals in any field ruled by censorship. From Osip Mandelstam commanded to compose an ode in praise of Stalin, to Breyten Breytenbach writing poems under and for the eyes of his prison guards, to Aleksander Solzhenitsyn engaging in a trial of wits with the organs of the Soviet state, *Giving Offense* focuses on the ways authors have historically responded to censorship. It also analyzes the arguments of Catharine MacKinnon for the suppression of pornography and traces the operations of the old South African censorship system. "The most impressive feature of Coetzee's essays, besides his ear for language, is his coolheadedness. He can dissect repugnant notions and analyze volatile emotions with enviable poise."—Kenneth Baker, *San Francisco Chronicle Book Review* "Those looking for simple, ringing denunciations of censorship's evils will be disappointed. Coetzee explicitly rejects such noble tritenesses. Instead . . . he pursues censorship's deeper, more fickle meanings and unmeanings."—Kirkus Reviews "These erudite essays form a powerful, bracing criticism of censorship in its many guises."—Publishers Weekly "Giving Offense gets its incisive message across clearly, even when Coetzee is dealing with such murky theorists as Bakhtin, Lacan, Foucault, and Ren è ; Girard. Coetzee has a light, wry sense of humor."—Bill Marx, *Hungry Mind Review* "An extraordinary collection of essays."—Martha Bayles, *New York Times Book Review* "A disturbing and illuminating moral expedition."—Richard Eder, *Los Angeles Times Book Review*

" The role of the critic, " Daniel Mendelsohn writes, " is to mediate intelligently and stylishly between a work and its audience; to educate and edify in an engaging and, preferably, entertaining way. " His latest collection exemplifies the range, depth, and erudition that have made him " required reading for anyone interested in dissecting culture " (*The Daily Beast*). In *Ecstasy and Terror*, Mendelsohn once again casts an eye at literature, film, television, and the personal essay, filtering his insights through his training as a scholar of classical antiquity in illuminating and sometimes surprising ways. Many of these essays look with fresh eyes at our culture ' s Greek and Roman models: some find an arresting modernity in canonical works (*Bacchae*, the *Aeneid*), while others detect a " Greek DNA " in our responses to national traumas such as the Boston Marathon bombings and the assassination of JFK. There are pieces on contemporary literature, from the " aesthetics of victimhood " in Hanya Yanagihara ' s *A Little Life* to the uncomfortable mixture of art and autobiography in novels by Henry Roth, Ingmar Bergman, and Karl Ove Knausgå rd. Mendelsohn considers pop culture, too, in essays on the feminism of *Game of Thrones* and on recent films about artificial intelligence—a subject, he reminds us, that was already of interest to Homer. This collection also brings together for the first time a number of the award-winning memoirist ' s personal essays, including his " critic ' s manifesto " and a touching reminiscence of his boyhood correspondence with the historical novelist Mary Renault, who inspired him to study the Classics.

An eminent, ageing Australian writer is invited to contribute to a book entitled *Strong Opinions*. For him, troubled by Australia's complicity in the wars in the Middle East, it is a chance to air some urgent concerns: how should a citizen of a modern democracy react to their state's involvement in an immoral war on terror, a war that involves the use of torture? Then in the laundry room of his apartment block he encounters an alluring young woman. He offers her work typing up his manuscript. Anya is not interested in politics, but the job will be a welcome distraction, as will the writer's evident attraction towards her. Her boyfriend, Alan, is an investment consultant who understands the world in harsh economic terms. Suspicious of his trophy girlfriend's new pastime, Alan begins to formulate a plan...

J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. In the fall of 1869 Fyodor Mikhailovich Dostoevsky, lately a resident of Germany, is summoned back to St. Petersburg by the sudden death of his stepson, Pavel. Half crazed with grief, stricken by epileptic seizures, and erotically obsessed with his stepson's landlady, Dostoevsky is nevertheless intent on unraveling the enigma of Pavel's life. Was the boy a suicide or a murder victim? Did he love his stepfather or despise him? Was he a disciple of the revolutionary Nechaev, who even now is somewhere in St. Petersburg pursuing a dream of apocalyptic violence? As he follows his stepson's ghost—and becomes enmeshed in the same demonic conspiracies that claimed the boy—Dostoevsky emerges as a figure of unfathomable contradictions: naive and calculating, compassionate and cruel, pious and unspeakably perverse.

With the same electrical intensity of language and insight that he brought to *Waiting for the Barbarians*, J.M. Coetzee reinvents the story of Robinson Crusoe—and in so doing, directs our attention to the seduction and tyranny of storytelling itself. J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. In 1720 the eminent man of letters Daniel Foe is approached by Susan Barton, lately a castaway on a desert island. She wants him to tell her story, and that of the enigmatic man who has become her rescuer, companion, master and sometimes lover: Cruso. Cruso is dead, and his manservant, Friday, is incapable of speech. As she tries to relate the truth about him, the ambitious Barton cannot help turning Cruso into her invention. For as narrated by Foe—as by Coetzee himself—the stories we thought we knew acquire depths that are at once treacherous, elegant, and unexpectedly moving.
