For those who don't want their kids to go trick or treating in the streets, their kids can still do this by going to the mall. This is because some shopping malls encourage their tenants to provide candies and other goodies for shoppers. There are also costume parades and contests which the kids will love to watch and maybe win a few prizes. Is it the chance to magically transform yourself into your favorite hero or villain? Of course, costumes are fantastic fun for both kids and adults alike. I am well past trick-or-treating age; in fact, so are my children, but I still love to get all gussied up in a really cool costume every year. Even if I do not have a party to go to, it is still awesome fun to become someone else for a night and lurk behind bushes or wait on the front porch for all the goblins to come hunting their treats.
