letters, diaries, memoirs, government reports, and military dispatches, he allows the reader to step directly into army HQs, state council chambers, boudoirs, trenches, and revolutionary hideaways of the men and women who shaped the events of this crucial era.

Drawing on newly available Russian sources--many of which appear in English for the first time here--this volume covers a broad array of topics, including the Bolshevik rise to power and World War I as the catalyst and cradle, respectively, of the Revolution. The authors convey the boldness and diversity of the revolutionaries' aspirations as well as the ways in which the Revolution affected the lives of ordinary people, from the workers of Petrograd to Siberian peasants and Ukrainian Jews. Maps, illustrations, and a glossary of terms are included, as are a chronology of the Revolution, a list of works cited, and a thorough index.

an account of the response of the Russian Symbolist poets to the Great War and the Russian revolutions of 1917.

The First World War unleashed a powerful, transforming, destructive storm across the European continent. Its consequences were felt as harshly in Russia as anywhere else in the world. A spiral of chaos and violence erupted, continuing to reign throughout years of revolution and civil war. Leading expert Christopher Read presents a cutting-edge, highly readable introduction to Russia's crisis years. Read synthesises a wealth of newly available material and treats the period 1914-22 as a whole in order to contextualise and better understand the events of 1917 and their impact. As he examines the multiple revolutions, Read asks how and why the Bolsheviks were able to survive the storm, eventually taking over the world's largest country.

The translation of these memoirs brings an important and authoritative historical source to those interested in Russian or naval history who are unable to access them in the original Russian. Their author, Rear Admiral S N Timiryov, was well placed to make observations on the character of many of the significant commanding officers and also many of the operations of the Baltic Fleet from the beginning of the war in 1914 up to exit from it in 1918. He trained with many of the key figures and shared battle experience with them in the Russo-Japanese War of 1904-05 and the siege of Port Arthur; and he spent a year in Japan as a prisoner of war with a number of them. In his subsequent career in the Navy he had roles which brought him into contact with new recruits as well as with many serving officers, and as the Executive Officer on the imperial yacht Shtandart for some years, he came into contact with senior members of the navy establishment and of the government, including the imperial household. His memoirs also exhibit an unusual degree of self-awareness. Written in Shanghai in 1922, these memoirs remained unknown to scholars for several decades. Since their publication in New York in 1961, in the absence of access to authoritative archives, many historians in the West used them as a source for the study of the role of the Navy in the Russian revolution, particularly as it unfolded in the north. They have also been used as a source in numerous studies of the naval war in the Baltic, and following the fall of the Soviet Union they were re-published in Russia and are regarded there as an authoritative source on the history both of the revolution and of the Russian Navy in the First World War. This first English-language edition, complemented by extensive notes and commentary on issues which may not be

familiar to many, will fascinate scholars and naval historians alike.

"This multiauthor collection of essays analyzes Russia's Great War and Revolution from the perspective of the Central Powers and their encounters with Russia and the Revolution. The peoples of the Central Powers, from elites to civilians, understood the violent clash of armies in a variety of ways. Essays highlight the variety of military and civilian experiences and deal with topics of how soldiers, civilians, and intellectuals perceived Russia and how these understandings translated into security goals, utopian plans for conquered territories, and interethnic violence."--

This biography of Werner Scholem (1895–1940), former Zionist activist and later chief organiser of the German Communist Party, sheds new light on German-Jewish relations in the Weimar Republic, focussing on a revolutionary 's lifelong struggle against Anti-Semitism.

The third volume in Saul's history of U.S.-Russian relations looks at events surrounding America's entry into the European conflict and its encouragement of continued Russian participation, even in the face of domestic unrest. Saul (history, Russian and East European studies, U. of Kansas) draws on military and diplomatic archives in both countries to provide detailed accounts of the activities of consular, diplomatic, and military staffs as well as American businessmen, Red Cross volunteers, and journalists who were working in Russia. His previous diplomatic histories, *Distant friends* and *Concord and conflict*, cover events from the 18th and 19th centuries. c. Book News Inc.

The diaries reveal details of a remarkable life of a woman born in Imperial Russia who refused to complain about the luxurious life she left behind. CTV National News Its a miraculous tale that takes the readers through revolutions and world wars and chronicles Hendrikoffs transformation from a wealthy privileged lady in-waiting for the Russian empresses to desperate survivor scavenging for coal in a Nazi-occupied France. Calgary Herald Countess Olga Lala Hendrikoff was born into the Russian aristocracy, serving as lady-in-waiting to the empresses and enjoying a life of great privilege. But on the eve of her wedding in 1914 came the first rumors of an impending war that would change her life forever and force her to flee her country as a stateless person with no country to call home. In *A Countess in Limbo*, Countess Hendrikoff tells her remarkable true story that includes the loss of her brother in the Russian gulag, her sister-in-law murdered with the Russian Imperial family, and herself being robbed at gunpoint and accused of being a spy by the Nazis. She also speaks of the daily life that continues during wartime: ration cards and food restrictions, the black market, and the struggle just to get by another day. Her gripping story and thoughtful analysis provide a valuable look at life and humanity in the face of war. Spanning two of the most turbulent times in modern history World War I in Russia and World War II in Paris Countess Hendrikoffs journals demonstrate the uncertainty, horror, and hope of daily life in the midst of turmoil. Her razor-sharp insight, wit, and sense of humor create a fascinating eyewitness account of the Russian Revolution and the occupation and liberation of Paris.
