" Whats Happening to Me? " I bought this for my daughter when she was age 9, it was a great book to start the discussion of how and why her body is changing, it was so easy to read and understand. I have recommended it to many friends who are also looking for a book to bring up the subject but felt that many other books on the market go into far too much depth for a child of this age.

"What's Happening to Me?" A Guide to Puberty by Peter Mayle

" Whats happening to me " This book is fantastic. I got this for my son who was 10 at the time as my husband is in the military and very often away. I wanted something that he could refer to if he was too embarrassed to ask me and I didn't want him to learn stuff from 'playground' talk. As a mum, I would highly recommend this and am buying ...

Discusses the mental and physical changes that take place during puberty.

If you could have any animal's front teeth, whose would you choose? WHAT IF YOU HAD ANIMAL TEETH? takes children on a fun, informative, and imaginative journey as they explore what it would be like if their own front teeth were replaced by those of a different animal. Featuring a dozen animals (beaver, great white shark, narwhal, elephant, rattlesnake, naked mole rat, hippopotamus, crocodile, and more), this book explores how different teeth are especially adapted for an animal's survival. At the end of the book, children will discover why their own teeth are just right for them. And they'll also get a friendly reminder to take good care of their teeth, because they're the only teeth they'll ever have. Each spread features a photograph of the animal using its specialized teeth on the left and a humorous illustrated image of a child using that animal's teeth on the right.
