You can find the age of White sewing machines using the serial number stamped on each machine or printed on a tag affixed to the machine. Kristine Ratanaphruks/Demand Media . Examine the outside of the sewing machine for a number stamped in the metal or a tag that contains the serial number. Check the front and back of the machine, and then the end with the motor. Look on the bottom if the ...

*How to Find the Age of White Sewing Machines | Our Pastimes*

Strange as it may seem, there are free White sewing machine and overlocker/serger manuals via the Singer website. The manuals include many 20th century and even a few 19th century models too, (which was good news for me when I bought a 1906 treadle. pictured above) To find the manual you need, look under Singer's "Support and Resources" then select "Instruction manuals" , or follow...
