One of the world's most beloved Bible teachers offers a definitive collection of resources on biblical prophecy, the end times, and the apocalypse. "The end times." "The apocalypse." "The day of judgment." Terms such as these are both fascinating and frightening for any student of God's Word. They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world's most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future.

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

There's no doubt the world is in trouble. We see tragedy in the streets and violence in the news. We hear increasingly divisive political debates that spotlight the deep and bitter divisions in our society. We feel the pain and confusion of a culture that seems to be coming apart at the seams. How do we explain so much chaos? How do we live with such turmoil? And is there any hope for peace in our time? As one of the world's most beloved Bible teachers, Dr. David Jeremiah is the perfect voice to help answer these questions. And in *Escape the Coming Night*, Dr. Jeremiah walks through the perfect Scripture for these uncertain times: The Book of Revelation. In Dr. Jeremiah's hands, this exploration of Revelation is shocking and eye-opening, but also consistently uplifting—and a vital message for our time.

Designed to be used by individuals or study groups, this guide written by the bestselling "Left Behind(" author takes readers step by step through the high

points of Bible prophecy and gives them the opportunity to intensely study about the Rapture, the Tribulation, the return of Christ, the judgment, and much more. This resource can be used with or without "Charting the End Times."

Unprecedented natural disasters, political uprisings, and economic uncertainty: The Bible predicted it all. Now you can understand it—and know what's coming next. As we watch world events unfold, biblical prophecy becomes a subject of intense interest. Every Prophecy of the Bible brings clear answers to more than 1,000 key prophecies, backed with solid Scriptural evidence. Noted biblical scholar Dr. John F. Walvoord covers each prophecy from Genesis to Revelation, giving detailed insight into the many prophecies that have been fulfilled, as well as those that are still to come. By placing each event into historical context, the author gives insight into how the past, present, and future fit together to form an amazing, divine design. An excellent reference guide for those seeking answers, this comprehensive book reassures readers that God's master plan is to be trusted and that the Bible is an accurate source of hope for all Christians.

The end times have seen a great amount of interest within the last two decades, but there hasn't been a comprehensive overview of biblical prophecy and eschatology for more than five decades. Mark Hitchcock's book is that comprehensive resource for the twenty-first century. The End will do for eschatology what Randy Alcorn's Heaven did for people's understanding of heaven. It will provide a solid biblical foundation for Christians to explore the essential truths around this topic—the end of the world.

Explores the New Testament book of Revelation in a historical first-century context, reinterpreting the book as a scathing attack on the decadence of Rome that was subsequently adopted by early Christians as a weapon against heresy.
