A guide to woodworking for children introduces the tools, materials, and techniques of woodworking and provides instructions for twenty-one projects.

Features twenty-three simple woodworking projects designed to teach woodworking skills to a novice, including how to make a trophy base, pop gun, and butterfly house.

Covering everything you need to get the most out of your tools, the Missing Shop Manual Series goes beyond basic safety and set up. From basic holes and driving screws to joinery and mortising, you'll discover the techniques and tips you need to maximize your drill's performance.

From growing lawns and planting trees, to putting in stone walkways or water elements, readers will discover the right way to do it in straight-forward steps that anyone can follow to realize their dreams.

Perfect for children or anyone who wants to learn a hobby that lasts a lifetime - woodcarving. With just

a few basic tools, scrap wood and the safe techniques outlined in Kid Crafts Woodcarving, you'll be on your way to creating keepsakes and hand-carved gifts. You'll learn how to make basic cuts, how to use tools, and practice each using 7 projects for a whistle, musical frog, snowman ornament and much more.

Woodworkers and others interested in furniture design will learn how various styles of furniture look and are constructed with this visual guide. From Arts and Crafts and Shaker to Chippendale and French Provincial---this book shows examples from every major period. The book features detailed diagrams that show the individual parts and how they go together, revealing the all-important relationship between style and construction.

Have fun making these cool wooden toys, games and even gumball machines that are unexpectedly action packed. Most of the projects can be built in an hour, but will be sure to provide hours of entertainment. Easy-to-make projects that will delight children and the young at heart. Full-color photographs, detailed drawings, a chapter on getting started, and two step-by-step projects included.

Whether you're restoring a cherished family heirloom or renovating a yard sale bargain, you'll achieve professional results with this comprehensive do-it-yourself handbook. Step-by-step instructions, and hundreds of clear illustrations are provided for everything from simple repairs to full restoration. Learn how to fix dents, bruises and bends, fill cracks and holes, mend veneers, and make replacement parts. An excellent section on finishing teaches how to identify the original finish, change the color, duplicate antique finishes, and more.

With little more than a pocket knife, a branch, and a dose of concentration, this book will show you how to whittle unique keepsakes that are fun to make, will be appreciated as gifts, or can be popular items for sale. Author Chris Lubkemann, a woodcarver since age 7, is pleased to share his lifelong love of whittling with both beginners and experienced whittlers alike in Whittling Twigs & Branches. Inside, you'll find everything you need to master the basic woodworking technique called curling to create birds, trees, and flowers. With step-by-step whittling projects, helpful tips for correcting mistakes, and advice on painting and finishing, also inside is a picture gallery of finished pieces including table lamps, whimsical characters, letter openers, desk plaques, and chess sets, to give you inspiration in your own work.

Come on, kids: grab a hammer, step up to the workbench, and get ready to measure, saw, drill, and make cool things! Wood Shop is an exciting introduction for today's kids to an age-old tradition: building with wood. With step-by-step photographs and clear instructions, aspiring woodworkers learn essential skills such as how to drive a nail, use a power drill, "measure twice, cut once," and saw correctly. Then the fun begins, with 17 cool and creative projects kids can build to furnish the wood shop, decorate their bedrooms and homes, and create their own play equipment. Favorite projects include Tic-Tac-Toe-To Go!, One-Board Birdhouse, a Tool Tote, and a hanging Twinkle Light. Wood Shop is the perfect gift for tinkerers, young makers, fans of LEGO toys, and aspiring carpenters and engineers. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.
